PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience in building responsive and interactive web applications using HTML5, CSS3, JavaScript (ES6+), and React.js. Passionate about creating user-friendly interfaces and delivering high-quality web experiences. Demonstrates strong problem-solving abilities, adaptability, and a commitment to continuous learning.

TECHNICAL SKILLS

Core Languages: HTML5, CSS3, JavaScript (ES6+)

Libraries & Frameworks: React.js, React Hooks, React Router, Context API

Concepts & Architecture: Component Lifecycle, Props, Responsive Web Design, UI/UX Principles

API & Backend Integration: Fetch API, REST API Integration, Async/Await, JSON Data Handling

Tools & Platforms: Git, GitHub, Visual Studio Code (VS Code), npm, Vite, Vercel

PROJECTS

Weather App

GitHub: github.com/manikrishnahero/Weather-App | Live Demo: weather-app-zeta-nine-79.vercel.app

- Developed a responsive Weather App using React.js, OpenWeather API, and the Fetch API to provide real-time weather updates.
- Implemented a city-based search feature to display temperature, humidity, wind speed, pressure, and feels-like temperature.
- Utilized React Hooks (useState, useEffect) for efficient state management and integrated robust error handling to enhance user experience.

Currency Converter App

GitHub: github.com/manikrishnahero/Currency-Convertor | Live Demo: manikrishnahero.github.io/Currency-Convertor/

- Developed a responsive Currency Converter App using HTML, CSS, JavaScript, and the Fetch API to perform real-time currency conversion.
- Integrated a Currency Exchange Rate API to fetch live exchange rates and support multiple international currencies.
- Applied DOM manipulation, asynchronous programming (Async/Await), and API integration to deliver a dynamic user experience.

Coffee Website

GitHub: github.com/manikrishnahero/Coffee-Website | Live Demo: manikrishnahero.github.io/Coffee-Website/

- Developed a responsive web platform utilizing HTML5 and CSS3, prioritizing a modern and visually appealing user interface.
- Implemented custom CSS animations, transition effects, and fluid layouts to ensure a seamless experience across desktop, tablet, and mobile devices.
- Focused on responsive web development best practices, cross-browser compatibility, and accessibility.

EDUCATION

Bachelor of Science (B.Sc.) in Zoology **Graduation Year: 2023**

Sethupathy Government Arts College, Ramanathapuram

SOFT SKILLS

Problem Solving & Adaptability • Effective Communication Skills • Teamwork & Collaboration • Time Management • Quick & Smart Learner

LANGUAGES

Tamil: Native/Fluent | **English:** Professional Working Proficiency
